APC Revision Workshops

Session 2 2025

Overview

We provide APC workshops on a variety of topics, either online or in person (at your own venue).

Our interactive workshops are led by experienced Chartered Surveyors and APC Chairs/Assessors.

We cover all routes, pathways and regions, as well as a wide variety of topics:

- **Submission preparation**
- **Revision**
- **Interview preparation, including dealing with nerves**
- **All pathways and competencies**
- **CPD and hot topics**

Our workshops can be provided on a bespoke basis for you or your organisation, or you can book onto our open (general release) workshops.

Open Workshops

We have a variety of open workshops planned for 2025, with more workshops coming soon...

The cost for a half day online workshop is £125 + VAT and a full day in person workshop is £300 + VAT.

Both count towards your formal CPD hours.

Bespoke Workshops

Please get in touch for a quote for us to provide a bespoke workshop.

You will find a sample agenda later on in this brochure, although we can tailor workshops to your exact requirements.
